## Laguna

### Average Panel Sizes In Hides

#### 50 sq.ft hide

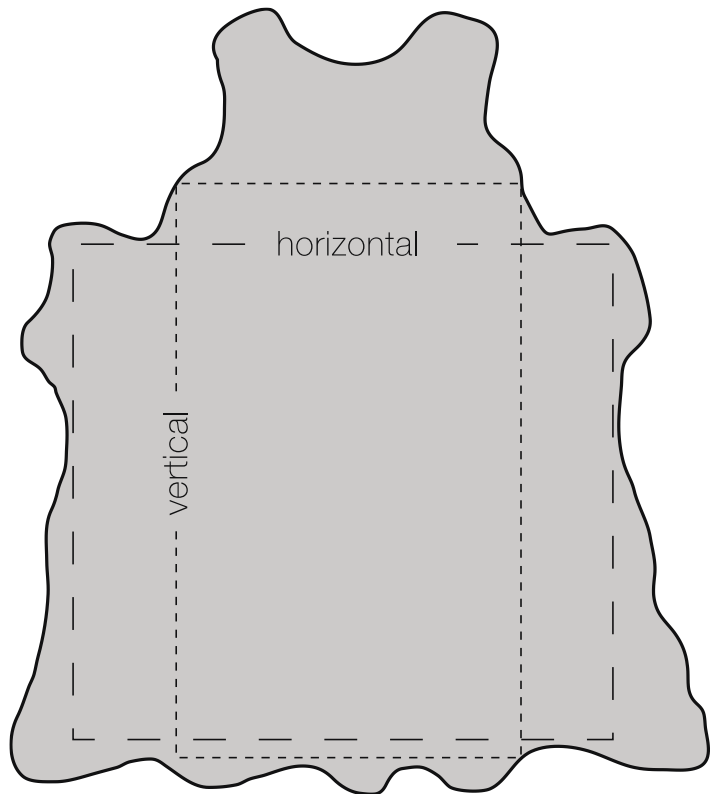

Vertical panel	100cm x 200cm
Horizontal panel	150cm x 160cm

#### Product Description:

Laguna is alluring yet highly practical, combining a distressed patina with excellent durability and protection against damage. It's perfect for classical interiors, yet it can be cleaned easily. The sophisticated finish comes in a broad palette of 32 colours. Take Laguna from hotel bar to superyacht – it comes with Crib 5 and IMO certifications, making it an excellent choice for commercial and marine applications.

#### Applications:

Residential, Contract, Marine

Please note that these are average panel size; depending on the shape of the hide there can be differences. This should be used as a guideline only.
