## Embossed Leather

Embossing (also called plate printing) is where designs from engraved plates are embossed onto the surface of the hides using heat and pressure. Designs can be produced on a wide selection of colors and finishes.

### SELLING TIPS:

- If a client provides panel sizes, it is possible to work within plate lines
- Embossed hides mostly have four usable panels
- Aniline and semi-aniline leathers are suitable for embossing
- Designs can be produced on a wide selection of colors and finishes
- We have access to many designs, for when your client is looking for something different

### CONSIDERATIONS:

- Plate lines will be visible on the hides
- Plate dimensions are typically 135cm x 95m | 53in x 37.5in
- Lead time 10 – 14 days

### LEATHERS TO EMBOSS:

Almont	Pueblo
Bilbao	Segovia
Chamonix	Tangiers
Colmar	Tuora
Cordoba	Venice
Ithaca	Verbier
Levanto	Zaragoza
Pamplona	

This is an embossed leather and so will have platelines from the embossing process. Each hide is effectively split into 4 panels – dimensions of each are approximately 135cm x 95m | 53in x 37.5in

### AVERAGE HIDE SIZE:

based on 55 sqft

horizontal: 160cm x 170cm | 59in x 63in

vertical: 100cm x 210cm | 39in x 79in
